FIRST TOWN DOWNTOWN
WINDSOR, CT

FARMERS' MARKET

Dear Friend of First Town Downtown,

Spring is around the corner and First Town Downtown has already begun planning for our Annual Farmers Market this summer. As you may know, farmers markets have never been more popular, draw residents from all over Windsor and surrounding areas. It is a fabulous place to promote local business and healthy living.

The First Town Downtown Farmers Market has attracted thousands of visitors for over Twelve years and continues to encourage individuals and families to visit Windsor Center. We are also proud of our partnership with the Windsor Food and Fuel Bank, who provide market payment vouchers to Windsor residents struggling with food insecurity.

We believe your business shares our vision for creating a vibrant local economy and vibrant town center, please join us in by becoming a member of our Farmers Market **Business Partnership Program.** Your financial support will allow us to continue to grow as a tourism destination and provide additional support to families in need.

Market Champion - $175 annual contribution:

- Your business will be included on Farmers Market posters displayed throughout the town.
- Your business will receive a complimentary copy of the poster to showcase.
- Your business will be listed on the Farmers Market sign displayed prominently each week.
- Your business will be recognized on our website, promotional materials, and press releases.

Please fill out and send in the attached form, including your payment check, by April 30.

Thank you,

Carol Engelmann
Market Manager
